

SHEPHERDS OF GOOD HOPE

Please join Action Sandy Hill on Monday September 27 at 6:30pm in welcoming the Shepherds of Good Hope (SGH).

SGH will be talking to the community about a new multi-purpose project at 216 Murray Street (planned for 2022).

We encourage all Sandy Hill residents to attend. This is your opportunity to ask questions, make positive comments, or raise concerns about the project, and learn more about what is being done about homelessness and housing.

To register, please send an email to info@ash-acs.ca.
